Descriere Sunshine Village Chersonissos 4*

General Description: The Main Section, built in an authentic Cretan style, greets guests upon arrival at hotel's spotlessly clean luxury resort. Experience a warm smile and friendly welcome from the hospitable reception staff. The Main Section houses the reception area, impressive communal areas as well as guest rooms. Guests are bound to spend a lot of time in the Sunshine Village Main Section, as it is where F&B facilities are and is also home to the amazing pools the organized sport and entertainment facilities as well as the fully equipped SPA area. The layout and decor brings to mind the traditional Cretan Village narrow lanes, with hues of blue and white dominating every corner. In addition to the communal areas, there are 92 fully renovated rooms in this section of the complex. Choose from a 27 m2 Junior suite with garden view or private balcony with sea views or even from one of the 55 m2 Suite with Jacuzzi and sea view; they are the epitome of luxury accommodation. All rooms are tastefully furnished, with modern amenities and elegant decor.
